Dear Parent

Re: Eden Project Monday 19 June – Wednesday 21 June 2017

Your son/daughter has shown interest in a forthcoming three-day Science trip which includes a day visit to the Eden Project, Cornwall and a day visit to Bristol Zoo as part of its itinerary. This trip is being offered to all Year 8 students.

The cost of the trip will be £198.00. This includes the following:

- Travel costs over the three days
- Overnight accommodation for 2 nights
- Evening meals, breakfasts and packed lunches at place of accommodation
- Entrance to The Eden Project
- Educational workshop at Eden
- Entrance to Bristol Zoo
- Workshop on "The Role of Zoos"
- Zooropia

The proposed dates for this visit are during the school days of Monday 19 June, returning on Wednesday 21 June 2017.

If you would like your son/daughter to participate in this trip a **non refundable** deposit of £20.00 is required by **Thursday 3 November**. The second **non refundable** payment of £30.00 is due for payment by Friday 13 January 2017 with the remaining balance of £148.00 to be paid by Friday 19 May 2017. Please complete and return the reply slip over the page.

Our preferred method of payment is by ParentPay. This is very simple to set up and very easy to use and we would encourage all parents/carers to use this method of payment.

- Log on to ParentPay (www.parentpay.com) using your username and password (if you have not used ParentPay before please phone 01704 835940 for your login details).
- Click on the item description entitled '**Eden Trip 2017**' and add it to your basket, then proceed to the checkout.

Please note that the first and second deposits are **non-refundable**, should you wish to cancel prior to the trip all cancellation charges will be in line with the tour operator's guidelines. If you do wish to cancel at any point, please inform us in writing in order to minimise financial losses and we will attempt to find a replacement. Please note that there are a limited number of places available for the trip. If a situation arises where there are more students expressing an interest than places available then a lottery will be used to allocate places. If your son/ daughter does not secure a place on the trip the deposit monies will be returned in full.

I hope you will agree with me that this is a very worthwhile experience for your son/daughter and one that is directly linked and appropriately planned to coincide with and enhance his/her classroom studies in Science this year.

Yours sincerely
