Dear Parent

It has been my privilege to serve as Acting Climate for Learning Leader for Year 8 during the maternity leave of Miss MacDougall. Year 8 is a special year group with many talented, enthusiastic and bright individuals, and I have been delighted to get to know and work closely with each student.

The year group are lucky that they have a dedicated and hardworking team of form tutors who will be able to steer them through the next phase of their school journey. I would also like to personally thank them for the support and commitment over the last few months in allowing the students to grow and thrive within the school community.

My thanks also to you, as parents, for your much valued support, encouragement and kind words during my time as Climate for Learning Leader. I have enjoyed working closely with the students and I am certain that, with your support and the help of their form tutors and Miss MacDougall, this year group will go on to achieve above and beyond their expectations.

Yours sincerely

Mr S Lucas
Acting Climate for Learning Leader (Year 8) / Teacher of Physical Education
