

# Formby High School

'Determined to Achieve'

ASY/DRI

15 March 2017

Dear Parents and Students

## Re: Year 11 Easter School

Following on from the success of Easter School in previous years, we will be providing opportunities for current Year 11 students to attend revision sessions during the Easter break. You will find a timetable on the reverse of this letter. Sessions across a broad range of subjects will be delivered by Year 11 teachers and will aim to:

- Revise course content;
- Provide examination practice to improve technique;
- Guide students towards better quality examination answers;
- Build students' confidence.

The dates for the workshops are Monday 3 April – Wednesday 12 April. Students have been made aware of the Easter school programme and will be signing up with their teachers over the next few weeks for the sessions they wish to attend. Due to teacher availability, there may be limits on the number of students who can attend certain sessions, which will be communicated to students.

Additionally, we have a broad range of intervention strategies currently in place for Year 11 students such as:

- Maths breakfast club (Tuesday and Thursday before school)
- Step Up (Tuesday and Thursday after school)
- Silent study (Monday to Thursday after school in A3)
- Weekly subject revision sessions at lunch time and after school
- Ongoing support and revision during lessons

The Easter sessions will allow students to focus on the areas that they need to improve upon as well as supporting their ongoing revision. We would encourage your son/daughter to make full use of this opportunity and sign up for those sessions which they think will be most useful.

Thank you for your continued support.

Yours sincerely

Mr A Symes  
KS3 Mathematics Coordinator

Mr D Rigby
