11 April 2018

Dear Parent

Non-Uniform Day in Support of Drop4Drop World Water Day

We are two current Year 11 students and we have arranged to fundraise for the charity Drop4Drop. We feel that it is extremely important not only to raise money for this cause, but to raise awareness. There is currently a huge water crisis in the world, of which many people are unaware. 663 million people in the world do not have access to clean water – roughly one in nine of the world's population. Our aim is to raise £2500 in order to fund a well in India or Africa, but just £3 will bring water to someone currently without access to clean drinking water. We understand that this is an ambitious target but it will enable an entire community to have access to clean drinking water. The school will receive a personalised plaque and photos, provided by Drop4Drop.

We hope our school community will join us in doing all we can to support this worthy cause. Throughout the week beginning Monday 16 April, we will be delivering assemblies to all year groups and we will also be preparing PSHEE lessons to explain what we are doing and why we feel it is so important. We have been working hard to deliver a number of fundraising activities and Friday 20 April will be a non-uniform day. Students wishing to participate will be asked to make a contribution of £1.00 during morning registration. There will also be an ever popular cake sale and if you are able to provide cakes to support this, they would be greatly appreciated. Please send them in with your son/daughter on Friday morning. We would like to encourage all students to bring a little bit of extra money into school on this date to enable them to support this worthy cause.

Thank you for your anticipated support in this matter.

Yours sincerely

Evie Scott and Charlotte Russell
(Year 11)
