## The Duke of Edinburgh's Award - Formby High School

### Bronze Application Form

I acknowledge receipt of the letter outlining The Duke of Edinburgh's Award and I understand that it is my responsibility to oversee my daughter/son in any of the above activities that take place outside school. I have no objection to unnamed images of my child being used for display purposes on the school notice boards, literature and website. I would like her/him to be included in the Bronze Award at Formby High School.
