... to all our **super-duper** parents and family members
for keep things going in difficult times!

Dear Parent

As we embark upon our new term of home learning, we have taken on board feedback from students, teachers and parents and adapted our 'Remote Classroom' provision to focus more on the development of and immersion in new subject content. We will use Class Charts as our main portal for delivering and submitting work.

Details can be found in the attached 'Remote Classroom Student Memo', shared with students this morning on Class Charts, along with a summary of instructions on how to upload work.

We really appreciate everything you are doing at home to keep the learning fires burning and motivate students. Please get in touch with staff if you have any queries.

Thanks for everything - you are doing a great job!

Yours sincerely

Mr S Cook

Senior Assistant Headteacher
(Teaching, Learning & CPD)

REMOTE CLASSROOM

DETERMINED TO MAINTAIN ACCESS TO HIGH QUALITY LESSONS

Dear Team Formby High,

Welcome back to a new, if a little different, term at Formby High School. Congratulations and a big thank you to everyone for navigating the early stages of our 'Remote Classroom' and getting to grips with Class Charts. We also welcome two new teachers today – Mrs Rimmer in Business & Computing and Miss Barnett in PE.

From today (Monday 20 April), we will be making a few changes to our system.

ALL students in Years 7, 8, 9, 10 and 12 will now be set work by their individual class teachers on Class Charts. Please check your account on a daily basis. We will keep a summary document on the Remote Classroom webpage for Years 7 & 8.

You will only be set **ONE** piece of work to be formally assessed by your teacher during this half term. This should be submitted as an upload to Class Charts. It will be marked and reviewed by your teachers, who will provide feedback on the quality and next steps to take your learning further.

You will not need to email weekly work to teachers for marking. This will enable our email system to be used for questions, queries and hints only. We will aim to respond with 48 hours, but please be patient.

Thanks to those students who emailed examples of their best work to teachers before the Easter break. We will be emailing some e-postcards this week to reward students. Our next opportunity to celebrate fantastic work will be focused on 'your most creative' piece of work (see below).

Please keep your eyes on the school website and Twitter for news updates and community activities.

Thanks again to you all for supporting everyone across our local community. Take care and hope to see you soon!

Submit your most creative piece of work, via email to your class teacher, and it may be entered in our weekly HEAD'S UP Prize Draw. Members of our SLT will review work and reward excellent work at the end of the week.

CLASS CHARTS HOMEWORK SUBMISSION / UPLOAD

Homework attachment submissions

For certain homework tasks, you may be asked by your teacher to [upload your work as an attachment](#).

When viewing a homework task in more detail, you will see the [Upload attachment](#) button if your teacher is expecting your work to be uploaded.

To submit a homework attachment, click on the [Upload attachment](#) button and select the files of your choice. Successfully uploaded files will then appear above the button.

If your teacher leaves feedback on one of your homework attachments, you will see a [Feedback](#) icon appear on the associated homework task.

To view the feedback, click on the [expand](#) icon in the bottom right hand corner of the homework tile. Your teacher's feedback will appear directly below your homework attachment.
