about ages, eligibility, enrolment and payment

# SUMMER SCHOOL 2020

Over recent years, Formby High School has enhanced its transition programme with a series of hugely successful summer schools. These have been designed to give new Year 7 students the opportunity to experience the school before starting in September, whilst taking part in a wide variety of exciting practical workshops.

In the past, summer school programmes have received direct funding from the government, a funding stream which no longer exists for schools. However, we are determined to continue the valuable experiences offered in recent years and to do that, we will require a daily fee of £16.50 per student to attend.

Parents may book onto the Summer School for the full week or for a combination of days, to suit individual circumstances. Payment in full should be made online to ensure you secure your place each day. You will receive a confirmation from Eventbrite at the time of booking, to ensure your diaries can be set for the busy summer holiday period.

Please note that we hope to publish photographs, video and news from the activities on our website and @FormbyHigh Twitter feed. Therefore, the return of our Photo Consent Form in your Admissions Pack is important to our planning.

<b>Monday 17 August</b>	<b>STEM EXPLORERS</b> Spend a practical day learning about cooking, engineering and technology through practical, problem-solving activities <a href="#">#engineersofthefuture</a>
<b>Tuesday 18 August</b>	<b>BEACH EXPLORERS</b> Spend a fascinating day exploring the natural world right on our doorstep – in the Pinewoods, on the sand dunes and the beach <a href="#">#beachcombers</a>
<b>Wednesday 19 August</b>	<b>SPORTING STARS</b> Spend an active day participating in a range of team building activities and sports. We will also be welcoming the 'Freestyle Football Workshops' to school <a href="#">#nextgenerationsuperstars</a> <a href="http://www.freestylefootballworkshops.com">www.freestylefootballworkshops.com</a>
<b>Thursday 20 August</b>	<b>CREATIVE EXPLORERS</b> Spend a dynamic and dazzling day inspired by the world of music, singing, drama and dance <a href="#">#centrestage</a>
<b>Friday 21 August</b>	<b>ENTERPRISE CHALLENGE DAY</b> Take part a special series of team challenges to develop your thinking skills, creativity and imagination – 'Dragon's Den' meets 'The Apprentice' <a href="#">#enterprisechallenge</a>

Please note that the successful operation of our Summer School is subject to sufficient numbers enrolling on each day.
