'Determined to Achieve'

AHA/PSL

Dear Parent

Re: Year 11 Raising Achievement

Year 11 students have reached the end of an intense period of in-class assessments. They have demonstrated resilience in abundance and deserve recognition for their hard work and efforts. In order to support our students taking a well-deserved break, staff will not be issuing homework or revision for students until we return in the New Year. I would encourage your son/daughter to make the most of Christmas Holidays by relaxing, spending time with loved ones and resting before we return in January. I continue to be immensely proud of our Year 11 students and, in particular, I would like to extend my thanks to them for their contribution to the South Sefton food bank collection throughout November. In school over the remaining weeks we will seek to celebrate Year 11 successes and reward students for their continued determination to achieve.

Earlier on this academic year, I shared with parents three presentations focusing on revision, wellbeing and our plan for Year 11. These are available, alongside other useful materials, on the Year 11 page on the school website (which can be located [here](#)). I would like to share with you another short video presentation around Post-16 pathways and support. I hope you find this helpful and informative.
