Dear Parent

Re: Year 13 Examination Study Arrangements and Celebration Lunch on Friday 25 June

As we approach the end of an extremely challenging year, I wanted to clarify arrangements for the final weeks of your child's academic year.

You will be acutely aware that assessments have been taking place and will continue through to the end of the week commencing 24 May. Once they have completed all of their final assessments and any coursework, students will no longer have any formal obligations to school. For the majority, that will point will be reached during the final week before the half term holidays. However, if your child has completed assessments and/or coursework earlier than this in a particular subject, then there is no further requirement to attend those lessons. Students must return any textbooks directly to the Sixth Form office or directly to the subject teacher on the day that they complete their final assessment.

It is important to point out, however, that we have added a two-week contingency period after the half term that allows, for example, teachers to request a student to attend school for a specific matter relating to the completion of assessments or coursework. Because of this, all students **MUST** be available up to and including 18 June.

On Friday 25 June students are invited to participate in a Leavers' Celebration at the school which will be followed by lunch in Liverpool city centre. Students should attend from 10.30am on the day for an assembly scheduled for approximately 11.15am. Following this, we have arranged for coaches to transport students to the venue, The Supper Club in Blundell Street, where we expect to arrive at 1.00pm. Following the lunch, students will make their own arrangements for the rest of the day, whether this involves remaining in the city centre or returning home. Students will be asked to contribute to the cost of the event, with the school subsidising the remainder. The cost will be £30.00 which is payable using the following process:

- Log on to ParentPay (www.parentpay.com) using your username and password (if you have not used ParentPay before please phone 01704 835644 for your login details).
- Click on the item description entitled '**Leavers Lunch Year 13 – 25 June 2021**' and add it to your basket, then proceed to the checkout.

On behalf of the Headteacher and all staff in school, I would like to take this opportunity to wish all of our Year 13 students good luck as they continue with their assessments and the conclusion of their courses. I would like to thank parents too for their support throughout the last two years.

Yours sincerely

M. J. O'Shaughnessy
