Dear Parent

Re: Sixth Form Taster Afternoon – Thursday 17 March 2022

On the afternoon of Thursday 17 March, Year 11 students will be taking part in a Sixth Form Taster Afternoon and as such the Year 13 timetable will be collapsed for periods 4 and 5. Year 12 will be out of school on Career Experience during this week therefore their lessons will not be affected.

Although many Sixth Formers may see this as an opportunity to work productively from home, we will be asking for volunteers to assist during the afternoon and would therefore, welcome the support of Year13 students with this event. The school day for those Year13 students not involved will finish at 12.30pm.

Yours sincerely

Mrs K Kearsley
Sixth Form Progress Leader/History
