Dear Parent

Re: CAREERS EVENTS 2022 - 2023

We would like to welcome you to the Formby High School family and we hope your child is settling well into Year 7.

We value the partnership we enjoy with our parents who not only play a vital role in the development of their child in school but also in that of the wider school community. Many parents have professional skills and experience which would be of great interest to us in supporting our students in their Careers education and guidance.

As part of our programme of Careers Education Information Advice and Guidance, we are holding some exciting careers events during the academic year 2022 - 2023. Continuing from the success of last year's events, we hope to engage dynamic professionals to inspire our students. This is an exciting opportunity for students to meet representatives from a wide range of professions in order to inform their choices in the coming months.

MEET THE PROFESSIONALS – Wednesday 19 October 2022

The primary aim of this event is to facilitate an 'informal' discussion between a professional delegate and a small number of Year 12 students during an afternoon, from 1:30pm until 3:30pm. The discussion would centre round career pathways, qualification and experience requirements, and the opportunities open to students entering this profession.

PRACTICE INTERVIEWS – Thursday 26 January and/or Friday 27 January 2023

Over two days, we offer each of our Year 11 students a 30 minute 1:1 interview with a local professional. If you are available to support us by offering your services as an interviewer, you will be interviewing up to 8 students throughout the day. We will provide guidance by email detailing the format of the interviews, sample questions and the type of feedback which could be offered to each student. In order to ensure all students receive an interview, we require as many professional volunteers as possible. Interviews take place between 10:00am and 3:20pm with a breakfast briefing for all interviewers at 8:30am with our Careers Coordinator.

CAREERS FAIR – Wednesday 29 March 2023

We would like to encourage local and regional organisations to set up a stall in our 'marketplace' from 10.00am until 3:00pm. Students from Year 7 to Year 13 will be timetabled to visit the fair and find out about possible careers and future education routes during the day.

CAREER BREAKFASTS

A series of informal meet and greet style sessions, held in our School Library from 8.00am - 8.45am over a hot drink, juice and croissants. Designed to give students an opportunity to find out how to get into a specific career, qualification requirements, routes in the career and top tips on getting experience. We are encouraging volunteer professionals to offer their time to lead Career Breakfasts throughout the year - from architecture to accounting, engineering to estate agents and teaching to tech start-ups... anything goes!

We cannot underestimate the impact the support provided by professionals has on the young people of Formby High School as they choose their future careers and thank you in advance for any assistance you are able to provide. If you are able to 'donate' your time and services to any of the above events, or work within an organization where another member of staff could attend, we would appreciate you contacting Emma Haughey, School Events Coordinator at careers@formbyhighschool.com at your earliest convenience.

Thank you in anticipation of your assistance with these events.

Yours sincerely

Mrs A MacDunne
Careers Co-ordinator
