Dear Parent,

## CURRICULUM INFORMATION UPDATE

As we start a new year, I would like to draw your attention to our recent curriculum development work, undertaken across the school. Throughout the past 12 months, subject areas have been working to redevelop their curriculum planning in line with our vision detailed in the infographic below.

We have worked hard to produce curriculum maps which inform students and parents about the learning journeys in all subjects. We are ambitious in our plans to deliver a high-quality curriculum which is 'knowledge rich' and centres on a drive to explore the 'knowing what' and 'knowing how' within each subject. Content has been carefully sequenced, providing a curriculum which balances academic rigour and knowledge acquisition with creative and enterprising opportunities. Full details can be found on our website using the following links.

For information about subject specific queries, please get in touch via [enquiries@formbyhighschool.com](mailto:enquiries@formbyhighschool.com) and we can direct you to the relevant Subject Leader.

Yours sincerely,

**Mr S Cook**
