

FORMBY HIGH SCHOOL

Determined to Achieve

AMA/EHA

22 March 2023

Dear Parent

The Formby High School Careers Fair will take place on **Wednesday 29 March**. This event provides an opportunity for all students to meet volunteer professionals from a variety of educational providers, companies and organisations. Students are encouraged to seek information and guidance from delegates and come prepared with any questions to help guide them to future career or educational choices.

Please find attached advice on 'How to make the most of the Careers Fair', including a plan showing the delegates scheduled to attend.

All students will be allocated lesson time to attend this event in the Sports Hall as indicated below:

Period 2	Year 9
Period 3	Year 11
Period 4	Year 10
Period 5 (2.20pm – 3.00pm)	Years 7 & 8
Anytime during their free periods.	Years 12 & 13

Students will register in lesson and then accompany their class teachers to the Sports Hall. Further information will be given to students by their Form Tutor this week.

We are always keen to expand and develop our Career Contacts and appreciate any support our parents can offer. If you work for any company or organisation with a Schools Liaison or Careers Department, or you are willing to volunteer your time to attend one of our Careers Events please contact our Careers Team at careers@formbyhighschool.com.

Regards
FHS Careers Team

Formby High School is a Limited Company registered in England and Wales under Company No. 7724342

How to make the most of the Careers Fair

1

Do your research – use the stalls map to identify people and organisations that you would like to speak to.

2

Plan questions – think about what you would like to ask people before you attend.

3

Don't follow the crowd – visit the stalls that you are interested in and don't just follow your friends.

4

Widen your horizons – explore the range of post-16 and post-18 options available including colleges, apprenticeships and universities.

5

Learn something new – visit stalls that you know little about to broaden your knowledge of careers.
