

FORMBY HIGH SCHOOL

Determined to Achieve

SCO/EHA

29 September 2023

Dear Parent

The Formby High School Careers event 'Meet the Professionals' will take place on the afternoon of **Wednesday 11 October**. This informal event for students in Year 12 aims to provide an opportunity for small group conversations with volunteer professionals. The event encourages students to consider routes towards a particular profession with bespoke advice about post-18 education and pathways. The event will last approximately 90 minutes and students should come prepared with any questions that they would like to ask the professional about their career pathways and experiences.

Students have been asked to select three professionals they wish to meet using the Survey Monkey questionnaire (to be found at <https://www.surveymonkey.co.uk/r/MeetTheProfs2023> and sent via Class Charts).

This should include three professionals and one reserve choice. All questionnaires should be completed by **12pm on Thursday 5 October**. Please find attached a programme providing details of the event and brief pen portraits of the professionals who will be attending for your information. We are still awaiting confirmation from a couple of professionals so there maybe additional delegates added to the programme which we will inform you of if this is the case.

If you require any further information please do not hesitate to contact the Careers Team at careers@formbyhighschool.com or students can speak directly to Mrs MacDunne, Careers Coordinator.

Kind regards

FHS Careers Team
