Dear Parent

Re: Year 9 Meet the Professionals Event

To support our Careers Education, Information and Guidance Provision we will be facilitating a Year 9 Meet the Professionals event on Thursday 29 February.

The event is supported by the Liverpool City Region Careers Hub and will enable Year 9 students to speak to a range of local employers and professionals. The professionals will represent some of our local growth sectors such as Health and Life Sciences, Green Development and Digital industries.

Each student will have the opportunity to attend the event for one hour during one of their morning lessons. The event will provide students with an excellent insight into some of the key industries in the local labour market. Furthermore, it will be an opportunity for them to develop their confidence and communication skills when interacting with professionals.

If you have any questions about the event, please contact me at a.macdunne@formbyhighschool.com

Yours sincerely

Mrs MacDunne
