WELCOME

Our amazing Dance Department continues to inspire students across our school and community this year. Tonight's showcase celebrates the talents of all ages and experience – from our newest young performers who have just joined us in Year 7, through our GCSE Dance classes and into our most experienced BTEC students in the Sixth Form.

There really is something for everyone tonight, with a diverse range of styles and music too.

## Congratulations

to our entire Creative Arts Team (staff, students and community partners), who continue to dazzle as a **Multiple Artsmark Platinum Award** school.
