

FORMBY HIGH SCHOOL

Determined to Achieve

BDI/EHA

1 July 2026

Dear Parent/Guardian

Re: Music Transition Day 2026

As part of our ongoing transition programme, we will be holding an exciting Music Transition Day on Tuesday 7 July, here at Formby High School. We are inviting musicians in Year 6 from our partner schools, who have enrolled at Formby High School as Year 7 students in September, to come and spend the day with the Music Department.

The day is designed to give prospective young musicians experience of performing alongside existing FHS musicians and make some new like-minded friends. We will share information about continuing peripatetic music lessons once at Formby High and how to take up new musical opportunities too. Our transition day will involve a range of vocal and instrumental workshops, rehearsals and ensembles including a samba band session, a scratch orchestra and a songwriting session.

We will cater for all abilities and experience! Arrangements for the day are as follows:

- Please drop your child off to reception for 9.30am with their instrument if appropriate.
- We request that all students wear their school uniform.
- A packed lunch is required which can be eaten in the school dining rooms.
- Students should be collected **from the front gates** by parents at 2.30pm.
- Please follow this link and complete the MS form before Friday 3 July - [Music Transition Day 2026](#)

If you have any queries, please contact b.dilworth@formbyhighschool.com.

Yours sincerely

Miss Dilworth
Subject Leader for Music & Music Technology
